Customer Complaints

Flogas is committed to providing an excellent level of customer service. If however, you have a complaint, contact us on **041 2149500** or complaints@flogas.ie. Your complaint will be registered and a reference number issued. Every effort will be made to resolve your complaint in a speedy and professional manner. Some issues, by their nature, may take longer to investigate and rectify. If you feel your complaint has not been resolved to your satisfaction by Flogas, then you may refer your unresolved dispute to:
The Customer Care Team,
Commission for Regulation of Utilities,
PO Box 11934,
Tallaght, Dublin 24.
Telephone 1800 404 404.
Email: customer care@cru.ie

Public Service Obligation (PSO) Levy

The PSO Levy is determined by the CRU (Commission for Regulation of Utilities) and relates to any additional cost incurred by the ESB in purchasing or generating electricity from sustainable, renewable and indigenous sources. It is charged to all electricity customers.

Energy Saving Hints and tips

- These days we use many electrical devices & appliances to get through our day. It would be difficult for any of us to stop using them, but making small changes to our habits can help to reduce energy consumption over time & being a bit smarter in the times we use devices can help to lessen use at peak times.
- Switch off unused devices at the wall socket when you are not using them. When devices are sleeping or in standby mode, they still use small amounts of electricity. Timers or smart plugs can be a good way to do this.

You can save money by renewing your contract or switching supplier if your existing agreement is due to cease or if you are out of contract.

If you have any queries & would like additional support, there are a number of impartial bodies who can help
